Butler County Community College Golf Scrambles

Our den has committed to an endowment at Butler County Community College (BC3). This year we held two golf scrambles at Del-Mar golf course which raised \$8,300.00 Towards our \$10,000.00 endowment. 2011 Graduate attending BC3 Lawrence Crossing will be awarded our first endowment. McElwain Motors provided a car for a hole in one for both scrambles. A special thanks to all our tee sponsors and members who worked the outings.

2009 Scholarship Dinner

The 2009 Wolves annual scholarship dinner was held on Sunday may 17th at the Saxon Club. Over eighty members, recipients, family and friends attended. This year \$9,500.00 of scholarships and grants was awarded to nine scholars. John Biondi a past scholarship winner, was the key note speaker. Joe Cioffi, a member of the committee, served as master of ceremony. Special thanks to chairman Mike Deotto and his committee Joe Cioffi, Bob Morabito, Mike Lamenza and Tony Lucarelli for an outstanding job. Dusty Minnocci & staff provided the meal.

2009 Ellwood City Arts, Crafts & Food Festival

There are many ways one could judge the success of our 2009 food booth at the Ellwood City Arts, Crafts and Food Festival some are;

Having 78% of your members & family participating,
Knowing we can always count on our great tomato cutters,
Selling 1,000 lbs of lamb,
Selling 800 lbs of beer battered fish,
Selling over 1,700 sandwiches,
Cooking 2,100 lbs of french fries and most important
Keeping Carl smiling and Coleen in-charge.

Special thanks to Carl and Coleen, the wolves club family and friends for making this festival the greatest ever.

To Be Appointed

2009 Convention

District III hosted the 2009 National Association of the Wolves Annual Convention, which was held August 6th 7th & 8th at the Marriott Hotel on route 60. National elections were held on Saturday August 8th. Ross Pisano was elected National President, George J. Celli was elected First

Vice-President, Earl Miller was elected Second Vice-President and Mike Deotto was re-elected district II president. District I (Farrell, Youngstown & Trumbull Counties) will host next year's convention.

Christmas Party

Chairman Dave Ottavani and his committee have agreed to serve as the Christmas Party Committee. Dave is settling in after receiving this great appointment. (Thank you Ed).

Riverside Ellwood City Food Booth

We may need a member to serve as chairperson for this year's Riverside Ellwood City (REC) Food Booth Committee. The REC hold two wrestling tournaments a season and in the past the Wolves manage the food booth for them. This gives the parents the opportunity to watch their children wrestle. Thanks to Toni Rutter this project has almost turned into a no-brainer. The chairperson and his committee will be responsible for ordering the food and lining up the manpower. Tom Yoho and Sam A. Teolis have served as chairman in the past and knowing Tom and Sam, both would be available to answer any question you may have.

Library Project

Ray Santillo has agreed to serve as chairperson and form a committee to brain-storm ways we can help with the library. Ray and his committee will be bringing their ideas to the board in the near future. Any member willing to work with Ray and his committee please let them know.

Shelter Addition

In September and October we will be working a couple nights a week building an addition to our shelter. Anyone who can drive a crooked nail or can saw a piece of wood three times and realize it was short each time is welcome. Mike Deotto will schedule the work (play) sessions. Mike has a supply of left-handed hammers and hand saws.

Thanks

Thanks to Tom Yoho for suggesting a news letter and to Herm Petti, Jeff McCullough and Tony Pietrcollo for their help in putting everything together.

Special Thanks

A special thanks goes out to Carl Agostinelli and John Maielli for always giving their time in ordering and preparing our meals this past summer. Jimmy's smiling knowing he taught us well.
